

Our mission is to promote care and respect for self, others and all of God's creation through the belief that we are made in God's image and likeness and so called into the fullness of life.

We will achieve this by: providing a quality education and curriculum which reflects the distinctive beliefs, values and stories of our community, helping pupils to be creative and make full use of their gifts.

Growing and learning through faith, love and laughter.

Safeguarding

Our school is committed to safeguarding and promoting the welfare of all its pupils.

Governors recognise their statutory responsibility to make sure that adequate arrangements are in place to safeguard and promote the welfare of children.

Our policy is in line with the Newcastle Safeguarding Children Board Procedures, "Keeping Children Safe in Education" (2018)

Welcome to

St George's R.C. Primary School

St George's is a thriving successful Catholic school on the edge of Lemington and Dumpling Hall in Newcastle upon Tyne.

The school is a smaller than average primary school in a beautiful single storey Victorian building with large teaching spaces and grounds along with excellent facilities.

At St George's, every child really does matter; our dedicated and skilled staff nurture the full potential of every child, developing happy, confident and independent learners.

We are a close knit 'family' school; we are proud of the excellent relationships that exist within our school community and the respect and care that permeates our school.

'The Head Teacher and staff at St George's RC Primary are passionately committed to meeting the needs of the pupils. 'Ofsted 2017

Our Curriculum

Learning and progress are at the heart of our work.

We set high standards in everything we do and strongly believe in the importance of the core skills of reading, writing and mathematics.

'Pupils quickly develop into fluent and confident readers 'Ofsted 2017

As a school we have worked hard to develop an exciting, relevant, skills based curriculum for our children.

We have regular themed learning weeks when our children work in pastoral groups on a range of different topics.

Our themed weeks are a source of great excitement in school and staff and children are always planning the next one!

Choosing a School

One of the most important decisions a parent has to make in their child's education is choosing a school. On our website you will find our admissions policy, Ofsted report, achievement reports, plus general information to help parents find out more about our school and the learning experience we deliver.

We welcome applications from all children regardless of faith.
